MECsafe Limited

Maintenance - Engineering - Construction
Health Safety & Environmental Project Management

COMPANY PROFILE

MECsafe Limited is a Health and Safety Consultancy working predominately in the construction, building refurbishment and building maintenance industries. Our offices are located on the Finningley Estate in Doncaster South Yorkshire and at Acton West London.

MECsafe have a varied customer base consisting of medium and small sized organizations, our services are provided on an "as required" basis, and we do not charge a retainer fee. Our service is nationwide and our clients are not only restricted to UK based companies, we also provide our service to several European companies who are working on projects within the UK.

A significant part of our business is to carryout "on site" safety inspections and audits on a diverse range of projects ie: on large new build hospital projects, office refurbishments, housing regeneration projects, new build housing developments, shop fitting and other varied projects within the leisure, food retail, and warehousing industries.

The Health & Safety Advisors at MECsafe Limited are fully trained and experienced in construction safety, we have a range of existing clients in medium to small building contractors, M&E contractors, Mechanical Pipe Work contractors, Shop and Bar Fitters and Industrial Developers etc. MECsafe Limited have experience both past and presently with the CDM "Planning Supervisors" role on various new build and refurbishment projects.

MECsafe Limited also provide a comprehensive Health & Safety Training service, and cover Management, Supervisory and Employee Health & Safety Awareness, task specific disciplines ie: First Aid, Mobile Plant and Equipment, Mobile Aluminum Scaffolding Towers, Abrasive Wheels etc.

In addition MECsafe Limited also provide a full Health & Safety Management Document System for companies, including Health & Safety Policy, Accident Reporting Forms, Site Document Organizer File, Safety Method Statements and Risk Assessments, Safety Hand Books etc.

If you would like to know more about MECsafe Limited you can view our website on www.mecsafe.co.uk, or alternatively if you would like to speak to me about our services in relation to any job regardless of the size please telephone me on 01302 772368.
